

Entergy

Supply Chain Leader– Fossil *Entergy 2003 Supplier Conference*

This award is presented to

N. B. Harty General Contractors

for their proactive approach to Entergy account support and service, including:

Providing boiler cleaning services in support of Entergy Fossil plant operations with no accidents. N. B. Harty General Contractors have operated with professionalism and demonstrated high quality standards in an extremely hazardous work environment. They have handled complex work requirements while subject to very time-sensitive outage schedules.
